On Monday our Pipi team travelled to Baycourt to see "Songs of the sea" production – the mythical story invites the audience to look to where the sky meets the sea for the answers. In a fusion of song, dance, puppets, Te reo Māori and English, Songs of the Sea Waiata O Te Moana unfolds the mysteries and myths of where the first fish came from.

Our senior school have been brushing up on their first aid skills with Marie from Red Cross over the last 3 days.

Today the whole school has been participating in science with Anne Barker from the University of Waikato.

School photographs were sent home with the children today for those families who had pre-ordered. The class photos will be issued next – it's not too late to order – just send Dean an email dean@lifebylens.co.nz

All wooden desks are being collected today.

Please note that from Friday June 9th there will be no more ASB Student Banking through the school - due to lack of interest ☹

Wishing you all a happy and safe long weekend 😊

See you all on Tuesday June 6th
